We are required by law to maintain the privacy of your protected health information and if you believe that your rights have been violated you may complain to the Secretary of the U.S. Department of Health and Human Services or complain to us by talking to us, calling us, or writing to us with details. Please ask to speak to or contact our privacy officer. We will not retaliate in any way against a patient for making a complaint.
- F. We reserve the right to change our privacy practices and to make new policies effective for all protected health information that we maintain. If we should do so, we will issue an updated "notice to patients" to all of our patients. We have chosen to participate in the Chesapeake Regional Information System for our Patients (CRISP), a regional health information exchange serving Maryland and D.C. As permitted by law, your health information will be shared with this exchange in order to provide faster access, better coordination of care and assist providers and public health officials in making more informed decisions.
